The Mount Pleasant Education Foundation, Inc. (the "Foundation") is a not-for-profit, tax exempt 501(c)(3) charitable organization that was founded by a group of community volunteers with a common goal - to enhance the educational experience of each student in the Mount Pleasant Central School District (the "District"). The Foundation achieves its goal by raising money from individuals and companies who are interested in supporting the District. The monies raised by the Foundation are completely separate from the District budget and are used to pay for services and programs that generally are beyond the District's budget, yet consistent with the educational philosophies of the District. Your support is always important and appreciated; but the current economic climate, and the uncertainty surrounding funding from Albany, makes your support critical to maintaining the level of excellence that we all have to come to expect from the District.

The Foundation's primary fundraising event is its Spring Dinner Dance. The Dinner Dance is a significant event for the Foundation as it typically generates approximately 90% of its annual income. This year the Dinner Dance will be held on Friday, April 9, 2010 at Colonial Terrace in Cortland Manor, New York. ([colonialterracecaterers.com](http://colonialterracecaterers.com)).

This year it is the Foundation's privilege to honor **Michael DiNardo, of Silvio's Restaurant in Thornwood**, for his unwavering commitment to the District.

Each person who attends the Dinner Dance receives a copy of a Journal of advertisements (the "Journal"). The revenue generated by the sale of advertisements in the Journal is a significant source of funding for the Foundation and directly benefits the children.

The Foundation invites you to be part of the Dinner Dance and to join us in honoring Mr. DiNardo by purchasing an advertisement in the Journal; or if you would prefer, include a tribute to Mr. DiNardo. Enclosed with this letter is a form that outlines the five advertising and tribute options.

We thank each of you for supporting the Foundation, the District, and most importantly, our children. If you have any questions, please do not hesitate to contact us at [mountpleasanteducationfoundation@yahoo.com](mailto:mountpleasanteducationfoundation@yahoo.com).

Warm regards,  
The Board of Directors  
Mount Pleasant Education Foundation, Inc.
